The image shows the Elsevier registration form. At the top, it says "Register" and "Create password to register". The form fields are as follows:

- Email: library@coxhealth.com
- Given name: CoxHealth
- Family name: Library
- Password: A field with 10 dots and a strength indicator icon.

Below the password field, there is a text instruction: "Choose a unique password with minimum 8 characters. Include at least 1 number, a mix of lowercase and uppercase letters and 1 symbol to make your password strong." To the right of this instruction is a green progress bar with the word "STRONG" in white.

There is a checkbox labeled "Stay signed in (not recommended for shared devices)".

Below the checkbox, it says: "By continuing you agree with our [Terms and conditions](#) and [Privacy policy](#)."

At the bottom of the form, there is a blue button labeled "Register" and a white button labeled "I already have an account".
